

# Q&A Platform

A place for real-time, peer-to-peer learning. Questions posted in the Q&A platform are answered within 15 minutes on average, from other financial advice professionals.

## Post a question

Head to the Australia > Discussion space on the platform. At the top of the page you can click in the box saying "Share what's on your mind".

Once you write your question, you can add any relevant hashtags. This indexes the content, making it easier for Ensembl members find the right information quickly.

Here are a few examples of hashtags you might use:

#technology  
#investments

#superannuation  
#clientacquisition

After writing your question and adding any relevant hashtags, click 'post' to add your question to the feed. Other financial advice professionals can then add a comment to answer your question and share their ideas, experiences or guidance. Questions posted in Ensembl are answered, on average, within 15 minutes.

## Filtering discussions

Use the filters at the top of the 'Discussion' space to find the information you're looking for faster, and to stay on the pulse of what's front of mind for advisors. You can filter and view discussions by their latest activity, by the most popular posts, the newest or the oldest posts.

## Notifications

To stay on the pulse on what's happening within the industry, and the topics you're most interested in - download the Ensembl app via the iOS AppStore or Android's Google Play and adjust your notifications in your Personal Settings.
